Didani didani didani didani
Didani didani didani
Tu hai sabse juda tujhpe dil ye fida
Teri har ek ada didani
Tu hai dil ki sada tu hi mera khuda
Tu ajab alhada hai bali
Didani didani didani didani
Didani didani didani
Teri khamoshiya teri bechainiya teri hairaniya kya kahu
Aisi masumiya aisi magruriya aisi manmaniya kya kahu
Pehle gustakhiya phir ye diljoiya
Hai tu kitni hunar ka dhani
Didani didani didani didani
Didani didani didani
Rooth jana tera maan jana tera yu hi mujhko satana tera
Dil milana tera muskurana tera yu hi dil ko jalana tera
Dil churana tera dil lutana tera
Laye madhoshiya hai ghani
Didani didani didani didani
Didani didani didani
Tu hai sabse juda tujhpe dil ye fida
Teri har ek ada didani
Tu hai dil ki sada tu hi mera khuda tu ajab alhada didani
Didani didani didani didani
Didani didani didani
