Dil ibaadat kar raha hai, dhadakane meri sun  
Tujhko main kar loon haasil lagi hai yahin dhun  
Jindagi ki shaak se loon kuchh haseen pal main chun  
Tujhko main kar loon haasil lagi hai yahin dhun  
Dil ibaadat kar raha hai, dhadakane meri sun  
Tujhko main kar loon haasil lagi hai yahin dhun  
Jindagi ki shaak se loon kuchh haseen pal main chun  
Tujhko main kar loon haasil lagi hai yahin dhun  
Jo bhi jitane pal jiu, unhe tere sang jiu  
Jo bhi kal ho abb mera use tere sang jiu  
Jo bhi saansein main bharu unhe tere sang bharu  
Chaahe jo ho raasta use tere sang chalu  
Dil ibaadat kar raha hai, dhadakane meri sun  
Tujhko main kar loon haasil lagi hai yahin dhun  
Mujhko de tu mit jaane abb khud se dil mil jaane  
Kyun hai itana faasala  
Lamahe yeh phir na aane inko tu na de jaane  
Tu mujhpe khud ko de luta  
Tujhe tujhase tod loon kahin khud se jod loon  
Meri jismo jaan pe aa teri khushbu odh loon  
Jo bhi saansein main bharu unhe tere sang bharu  
Chaahe jo ho raasta use tere sang chalu  
Dil ibaadat kar raha hai dhadakane meri sun  
Tujhko main kar loon haasil lagi hai yahin dhun  
Baahon mein de bas jaane sine mein de chup jaane  
Tujh bin main jaau toh kahaan  
Tujhase hai mujhko paane yaadon ke woh najraane  
Ik jinape hak ho bas mera  
Teri yaadon mein rahu tere khaabon mein jagu  
Mujhe dhundhein jab koyi teri aankhon mein milu  
Jo bhi saansein main bharu unhe tere sang bharu  
Chaahe jo ho raasta use tere sang chalu  
Dil ibaadat kar raha hai, dhadakane meri sun  
Tujhko main kar loon haasil lagi hai yahin dhun.
