Dil ka guldasta baaho ka haar  
Saath me isake bahut sa pyar  
Lekar aaya sarkar kar lijiye swikar  
Kar lijiye swikar  
Mana ab tak hum the kuch majbur  
Reh ke paas bhi hum the kitni door  
Lekin hum tum aakhir mil hi gaye  
Sapne aakhir phulo se khil hi gaye  
Phulo se khil hi gaye  
Dil ka guldasta baaho ka haar  
Saath me isake bahut sa pyar  
Lekar aaya sarkar kar lijiye swikar  
Ha ha hamane kiya swikar  
Mere yaar mere yaar  
Thande mausam me aag ye kaisi lagi hay  
Kaise mod pe aa gayi zindgi achha ji  
Bin piye aaj ye kya hamako ho gaya ho ho  
Pyar ka har taraf chhane laga hai nasha maar dala  
Chhane laga hai nasha  
Dil ka guldasta baaho ka haar  
Saath me isake bahut sa pyar  
Lekar aaya sarkar kar lijiye swikar  
Ha ha kar to liya swikar  
Mere yaar mere yaar  
Kar to liya swikar  
Mere yaar mere yaar  
Khoye ham rahe in gori gori banho me  
Reshami julf ki pyari pyari chhav me  
Gam bhi koyi aane na payega jaha  
Pyar ki bastiya ham basayenge vaha  
Ham basayenge vaha  
Are dil ka guldasta baaho ka haar  
Saath me isake bahut sa pyar  
Lekar aaya sarkar kar lijiye swikar  
Ho ho hoto gaya swikar  
Mere yaar mere yaar  
Hoto gaya swikar  
Mere yaar mere yaar
