

Dil Ka Laya Hu Nazarana Lyrics - Aakhri Insaaf :

Singer - [Amit Kumar](#), [Varsha Bhosle](#)

Lyricist - [Kulwant Jani](#)

Music - [Rajesh Roshan](#)

Music Label - Saregama

Dil ka laya hu nazarana
Tere liye mere dilruba
Dil ka laya hu nazarana
Tere liye mere dilruba
Meri aankho me dekho
Nasha hai tere pyar ka
Meri jaa aage aage chal
Meri jaa aage aage chal
Meri jaa aage aage chal
Ye raat ye aisi aayi hai
Jisme honi hai halchal
Meri jaa meri jaa
Dil ka laya hu nazarana
Tere liye mere dilruba
Dil ka laya hu nazarana
Tere liye mere dilruba
Meri aankho me dekho
Nasha hai tere pyar ka
Meri jaa aage aage chal
Meri jaa aage aage chal
Meri jaa aage aage chal
Ye raat ye aisi aayi hai
Jisme honi hai halchal
Meri jaa meri jaa
O mere dil ka silsila
Tere dil se ja mila
Jo kaam hume karna hai
Usse jindagi me karna hai
Teri aarzoo me jina hai
Teri aarzoo me marna hai
Tujhe sath le ke jana hai
Tujhe sath le ke jana
Mar ke layi hu mai paimana
Tere liye mai dilrubba
Meri aankho me dekho
Nasha hai tere pyar ka
Meri jaa aage aage chal
Meri jaa aage aage chal
Meri jaa aage aage chal
Ye raat ye aisi aayi hai
Jisme honi hai halchal
Meri jaa meri jaa
Hum badte is tarah
Koi dariya jis tarah
Aa jaye dil jis pe dil apna
Usse apna maan lete hai
Use pura ker dikhate hai
Ye jo dil me tham lete hai
Ye to mera jamana hai
Ye to mera jamana
Lambe mere pyar ka
Gana tere liye dilruba
Meri aankho me dekho
Nasha hai tere pyar ka
Meri jaa aage aage chal
Meri jaa aage aage chal
Meri jaa aage aage chal
Ye raat ye aisi aayi hai
Jisme honi hai halchal
Meri jaa meri jaa
Tujhpe pake, humnava
Mere dil me kuch huua
Tujhe milke maine jana hai
Ki mai mil gayi hu manzil se
Koi dubati lahar jaise
Takara gayi ho sahil se
Mere labh pe ye tarana hai
Mere labh pe ye tarana
Dil ka laya hu nazarana
Tere liye mere dilruba
Dil ka laya hu nazarana
Tere liye mere dilruba
Meri aankho me dekho
Nasha hai tere pyar ka
Meri jaa aage aage chal
Meri jaa aage aage chal

Meri jaa aage aage chal
Ye raat ye aisi aayi hai
Jisme honi hai halchal
Meri jaa meri jaa
Meri jaa meri jaa.
