Singh (Singh!) Lutt gaya main sohni tere pyar mein  
Maar na deyi mainu intezaar mein  
Akhiyan main do se chaar karke oye  
Pad gaya dil te kaarobar mein He wants to say that he loves you bae  
Now you gotta tell him something too  
In every way, I just wanna say  
That you are the one, baby I love you Oh tera ikraar sun ke Ke dil kare chu che, chu che, che (x4) My heart says  
che chu che che (x2) Ke dil kare chu che chu che che (x2) (Haan..)  
(Paaji) Tu to laggi hai mujhe gori maâ™ªama wargi  
Teri tutti phutti boli mujhe jaadu kargi I just see an angel baby  
Whenever I look at you  
Then I hear your magic voice and  
Itâ™ªs making me crazy too Haaye jhappi main paanva tainu kas kas ke  
Dekhi tu jaave mainu hass hass ke  
Tere utte yaar marke Ke dil kare chu che, chu che, che (x4) My heart says che chu, che che, che (x2) Challan do..  
challan do..  
Than than karke, kamar hila ke  
Naach gaana, challan do  
Challan do, challan do  
Than than karke, kamar hila ke  
(Roko mat challan do) Nasha tera sir chadh ke  
(Bole niche se re, niche se)  
Sun raniye thath baath dekh king de  
Tu hi jachdi ae naal iss sohne Singh de Iâ™ªm your king and youâ™ªre my queen  
Thatâ™ªs the way itâ™ªs suppose to be  
Now youâ™ªre standing with your Singh  
Cause you look best when youâ™ªre with me Ho mukhda ae tera akhiyan ch rakh ke  
Ishq karangan tainu phatte chak ke  
Bole tera nasha sir chadh ke Ke dil kare chu che chu che che (x4) My heart says che chu che che che (x2) Ke dil  
kare chu che chu che che (x2)
