Ankhiyon hi ankhiyon mein
Ratiyaan yeh kaatne do
Neend meri udhi udhi re
Chaandni mein aaj bheeg lo,
Roshni se jism seench lo,
Now all night slow it down boy,
B coz i m with you tonight
My eye on my, let s get it on boy
B coz you are mine tonight
It s all about to not
Just see you all night yeah
It s all about to not
Just see you all night yeah
Jaagti huwi raaton ko
Neend bakhsh do
Bezubaan se khaamoshi
Ko lafz bakhsh do
Khuwahishon sa utho,
Barishon sa bhigo
Dil kashi, hai dil kashi,
Dil kashi, hai dil kashi
Dilkashi
Harf harf na horon se
Paalte likho jismon pe
Kal subah padhenge chand se
Har taraf ujaala jag mein
Sarson ki siyaahi le ke
Kal subah sunenge chand se
Khushbu ke nishaan na honge
Kal hum tum jawaan na honge
Aaj hey masti
Dil kashi, hai dil kashi,
Dil kashi, hai dil kashi
Dilkashi
Oooooo
Now all night slow it down boy,
B coz i m with you tonight
My eye on my, let s get it on boy
B coz you are mine tonight
It s all about to not
Just see you all night yeah
It s all about to not
Just see you all night yeah
Ishq ko sanwarta dekhun
Kuch to laal mein bhi dekhun
Rangon mein ghuloon mein rang sa
Aati jaati saansain meri
Keh rahi ke dhadkan thehri
Mehki jaane kyun main yaar sa
Mere toote foote se sapne
Jora tukdha tukdha hai rab ne
Jab se tu hai mili
Dil kashi, hai dil kashi,
Dil kashi, hai dil kashi
Dilkashi
Jaagti huwi raaton ko
Neend bakhsh do
Bezubaan se khaamoshi ko
Lafz bakhsh do
Khuwahishon sa utho,
Barishon sa bhigo
Dil kashi, hai dil kashi,
Dil kashi, hai dil kashi
Dilkashi
Ta na na ta na na yeah
Ta na na ta na na yeah
Dilkashi.
