Mujhe nahi pata mai kya gaungi
Ulte seedhe lafo se banaungi
Maan me jo aaya keh jaungi
Chalo hato pare nacho dil khol ke
Lets rock bolo ji - lets rock
Mai to bhul gayi phir kya wordings the
Something something jailhouse rock
Darr kis baat ka raat jo hui
Roshan zindgi taaro si hui
Zindgi ke pyar lamho
Aane wale sare palo se mai to
Khul ke yu mil jaungi
Teri baat me dum to hai bada
Khushiyo ka sama gham se hai bada
Oh jo bhi karo aaj karo
Khwab pure aaj karo
Yaha kal kisne dekha hai ji
Mujhe nahi pata mai kya gaunga
Teri baato ko hi dohraunga
Is se achcha ab kya gaunga
Tune bhi kya baat kahi
Hans bol ke - lets rock
Yo mama -lets rock
Oh mai to bhul gaya
Phir kya wording the
Something something jailhouse rock
Oh jaha ruko zara suno zara
Maine mana tera aana
Yah suhana sa fasana hai diwana
Pehlu ye naya bilkul bhi nahi
Tumne gaur se dekha hi nahi
Gungunana aata nahi
Taal se bhi nata nahi
Phir bhi dil se mai to jhumungi
Wah kya sham hai khushiyo se saji
Dono hath se tali jo baji
Tere sang nachungi mai
Tere sang gaungi me
Tere kadmo pe mai chal dung
Mujhe nahi pata mai kya gaungi
Ulte seedhe lafo se banaungi
Maan me jo aaya keh jaungi
Chalo hato pare nacho dil khol ke
Lets rock bolo ji - lets rock hello ji lets rock!
Mai to bhul gayi phir kya wordings the
Something something jailhouse rock
Lalala jail house rock something something
Something something something something
Jail house rock
