Dil kya kare jab kisi se, kisi ko pyaar ho jaaye
Jaane kaha kab kisi ko, kisi se pyaar ho jaaye
Unchi unchi diwaaron si, is duniya kee rasme
Na kuchh tere bas mein julie, na kuchh mere bas me
Dil kya kare jab kisi se, kisi ko pyaar ho jaaye
Jaane kaha kab kisi ko, kisi se pyaar ho jaaye
Love is all around you, love is knocking out your door
Love is free emotion
Love is rolling love is feeling love is helping someone
Love is healing love the feeling you do
Jaise parabat pe, ghata jhukati hain
Jaise saagar se lehar uthati hain
Aise kisi chehare pe nigaah rukati hain
Ho rok nahi sakati najaro ko duniya bhar ki rasme
Na kuchh tere bas mein julie, na kuchh mere bas me
Dil kya kare jab kisi se, kisi ko pyaar ho jaaye
Jaane kaha kab kisi ko, kisi se pyaar ho jaaye
Love is all around you, love is knocking out your door
Love is free emotion
Love is rolling love is feeling love is helping someone
Love is healing love the feeling i do ?? love
Daud raha hain saath lahu ke, pyaar tera nas nas mein
Na kuchh tere bas mein julie, na kuchh mere bas me
Dil kya kare jab kisi se, kisi ko pyaar ho jaaye
Jaane kaha kab kisi ko, kisi se pyaar ho jaaye
Kisi se pyaar ho jaaye love is healing
Kisi se pyaar ho jaaye.... love the feeling/love is healing
