Dil mujhse juda kyun huwa, yeh tujhpe fida kyun huwa  
Nam teraa hee lene laga, yeh divana sa kyun huwa  
Roka isse maana nahee, teraa hona tha ho gaya  
Yad teree kyun aane lagee, jan meree kyun jane lagee  
Aankh meree kyun rone lagee, ruh meree kyun gane lagee  
Nagme wafa ke jee bharke ga le, ashkon se dil kee aag bujha le  
Nagme sunaunga, jhum ke gaaunga, tumse karunga wafa  
Dil naa jane kehata hai kyun, nam teraa hee likhta rahu  
Tu mujhko bas itna bata, pyar teraa kahan mai rakhu  
Aankhon me rakh le dil me chhupa le, mujhko churake apna bana le  
Apna banaunga tujhko le jaunga, sun le meree dilruba  
Rat ruk ruk ke dhalne lagee, chand rug rug ke chalne laga  
Yeh rim jhim kee pehli ghata, kyun parvat pe chhaya nasha  
Teree mohabbat bikharee huyee hai, har chij dekho nikharee huyee hai  
Madhosh karatee hai jhum ke chalatee hai, inn vadiyo me hawa  
Sun kudrat kee dhadkan ko sun, phir chahat ke khwabon ko bun  
Pyar meraa yeh hoga naa kam, mai teraa rahunga sanam  
Sapno kee duneeya aaja basaye, chahat ke rango se usko sajaye  
Abb kaisa darrna, vada yeh karna, milke naa honge juda  
Dil mujhse juda kyun huwa, yeh tujhpe fida kyun huwa  
Nam teraa hee lene laga, yeh divana sa kyun huwa  
Roka isse, maana nahee, teraa hona tha ho gaya -2
