I just want to say i will one do it
If is it true love i will waiting for
If you want my heart if you want my soul
If you want to say i am looking for
Tell me is it love
Dil naiyo lagda naiyo lagda tere bina
Dil naiyo lagda naiyo lagda ve dil naiyo lagda
I just want to say i will one do it
If is it true love i will waiting for
If you want my heart if you want my soul
If you want to say i am looking for
Tell me is it love
Teri chahat ka rang odhe mere shyam subere ghar
Haye jab se ye ahsas hua hai bas sapno ke ghere hai
Bolo kya kare mere dhakane ye dil udd chala yaara teri or
If you want my heart if you want my soul
If you want to say i am looking for
Tell me is it love
Dil naiyo lagda naiyo lagda tere bina
Dil naiyo lagda naiyo lagda ve dil naiyo lagda
Tujhse hi meri ankho me ummido ke dere hai
Char dino me lagne laga hai jaise ke ham tere hai
Tujhse kaya kahu or kya na kahu
Ab to ban gayi teri meri ruh
If you want my heart if you want my soul
If you want to say i am looking for
Tell me is it love
Dil naiyo lagda naiyo lagda tere bina
Dil naiyo lagda naiyo lagda ve haye dil naiyo lagda
I just want to say i will one do it
If is it true love i will waiting for
If you want my heart if you want my soul
If you want to say i am looking for
Tell me is it love heriye
