Dil mujhse judaa kyon hua
Yeh tujhpe fida kyon hua
Naam tera hi lene lagaa
Yeh deewana sa kyon hua
Roka isse, maana nahin
Tera hona tha, ho gaya
Yaad teri kyon aane lagi
Jaan meri kyon jaane lagi
Aankh meri kyon rone lagi
Rooh meri kyon gaane lagi
Nagme wafa ke jee bharke gaa le
Ashkon se dil ki aag bujhaa le
Nagme sunaaonga, jhoomke gaaonga
Tumse karoonga wafa
Dil na jaane kehta hai kyon
Naam tera hi likhta rahoon
Tu mujhko bas itna bataa
Pyaar tera kahan main rakhoon
Aankhon mein rakh le, dil mein chhupa le
Mujhko churaake apna banaa le
Apna banaaonga, tujhko le jaaonga
Sun le meri dilrooba
Raat ruk ruk ke dhalne lagi
Chaand rug rug ke chalne laga
Yeh rim jhim ki pehli ghataa
Kyon parvat pe chhaaya nasha
Teri mohabbat bikhri hui hai
Har cheez dekho nikhri hui hai
Madhosh karti hai, jhoomke chalti hai
In vaadiyon mein hawa
Sun, kudrat ki dhadkan ko sun
Phir chaahat ke khwaabon ko bun
Pyaar mera yeh hoga na kam
Main tera rahoonga sanam
Sapnon ki duniya aaja basaaye
Chaahat ke rangon se usko sajaaye
Ab kaisa darana, vaada yeh karna
Milke na honge judaa
Dil mujhse judaa kyon hua
Yeh tujhpe fida kyon hua
Naam tera hi lene lagaa
Yeh deewana sa kyon hua
Roka isse, maana nahin
Tera hona tha ho gaya
Tera hona tha ho gaya.
