Rato me jab bhi mai sota toh mere khwabo me
Pyari si bholi si ek ladki kaa chehra tha aata, dil ko tha tadpata
Are are ra ra kya hal dil kaa kahun
Dil vich vich chalda, dil vich vich rukda
Thank thank tum tum thank thank.....
Dil vich vich chalda, dil vich vich rukda
Maine usko dekhka, usane mujhko dehka
Mere toh hato me pyar ki thi rekha, lo pyar ho hi gaya
Ham dono milte the khushiyo se khilte the
Miti se bate the masti ki rate thi
Behoshi chahi thi madhoshi chahi thi
Are are ra ra kya hal dil kaa kahun
Dil vich vich chalda, dil vich vich rukda
Thank thank tum tum thank thank.....
Dil vich vich chalda, dil vich vich rukda
Ek din jo bichdi tho woh nahi aayi
Mere nasib me aayi yeh tanhayi, pucho merée usaka pata
Dharti se, ambar se, nadiyo se, sagar se
Pedo se, patto se, parbat se, rasto se
Lehro se sahil se apne hi iss dil se
Are are ra ra kya hal dil kaa kahun
Dil vich vich chalda, dil vich vich rukda
Thank thank tum tum thank thank.....
