Kyon nind aati nahin, kyon raat katati nahin
Kyon chaen aata nahin, koi kahe... koi kahe
Kyon muskurata hai dil, kyon gudgudata hai dil
Kyon sab chupata hai dil, koi kahe... koi kahe
Kyon shaam dhalati nahin, kyon pal gujarata nahin
Kyon subha jaati nahin, koi kahe...
Dil ye mera dil dhunde hai aaha chaahat ki manjil
Ye dil, ye mera dil dhunde hai aaha chaahat ki manjil
Koi kahe...
Bekhudi har ghadi tadpaati... hay
Yaad kyun hai kisi ki aati... hay
Kabhi takiya idhar rakhu, kabhi takiya udhar rakhu
Karu kya mujhako tu yeh bata...
Haa dil ye mera dil dhunde hai aaha chaahat ki manjil
Ye dil, ye mera dil dhunde hai aaha chaahat ki manjil
Give on to love and love will give on to you
Leave off of love and love will leave off of you
Saamane ek baar jo wo aaye... hay
Dard meri dhadkano ka jaaye... hay
Kahu usako mera dilbar, shararat bhi karu ji bhar
Toh jeene ka aaye maja...
Haa dil ye mera dil dhunde hai aaha chaahat ki manjil
Ye dil, ye mera dil dhunde hai aaha chaahat ki manjil
Kyon nind aati nahin, kyon raat katati nahin
Kyon chaen aata nahin, koi kahe... koi kahe
Kyon muskurata hai dil, kyon gudgudata hai dil
Kyon sab chupata hai dil, koi kahe... koi kahe
Kyon shaam dhalati nahin, kyon pal gujarata nahin
Kyon subha jaati nahin, koi kahe...
Give on to love and love will give on to you
Leave off of love and love will leave off of you
