Dilkash yeh ehsas hai, bundo me tu bhee pyas hai
Ujapan dur dur tak phela, hajir hai pyar yeh meraa
Jo kuchh meraa hai sab teraa, aankho ke aas pas rehna
Bekhabar najar ho gaya asar, tere najre inkar ko subha
Sham aur sehar kaa khula jehar, jina tha bejar yeha
Karle har sitam tu karle, bah me mujhe tu bharle
Behke hai kadam teree kasam.....
Sine kee aag hoton ke pass, bhadakee huyee hai kabse
Abb kya sochna han bhul jane de
Gum sum hai bat jab tu ho sath, chayee hai bekhayalee
Ham dum jo bhee woh ho jane de
Bekhabar najar ho gaya asar, tere najre inkar ko subha
Sham aur sehar kaa khula jehar, jina tha bejar yeha
Karle har sitam tu karle, bah me mujhe tu bharle
Behke hai kadam teree kasam
Yeh reshmin palke hasin baho ke narm badal
Sach hai kya pata ya koyee khwab hai
Yeh asman aur yeh jamin sab kaynat teree
Hai sab se juda tu la jawab hai
Bekhabar najar ho gaya asar, tere najre inkar ko subha
Sham aur sehar kaa khula jehar, jina tha bejar yeha
Karle har sitam tu karle, bah me mujhe tu bharle
Behke hai kadam teree kasam
