You plan for life
But you dont know
That life has other
Plans for you crech
Why i didnâ€™t see the signs
White lies had turned me blind
Donâ€™t cry
Donâ€™t shed a tear you crocodile
Quiet quiet you i m becile
Shake it out your
Mankindâ€™s like a cooker
You must push
The button aaah

Sleep tight beneath the grime
Why why did you have
To dent my pride why
My my you must be
Realy satisfied right
Shake it out your
Mindâ€™s like cooker
You must push
The buttonaaah
Screem that dos
It talk iâ€™ll be around
Yaahyaahyaah
My mind sin over drive
Wide awake through the night
You plan for life
But you donâ€™t know
That life has other

Set fire to my paradise
Say hi to the demons indide
