Kaun hai yeh, jisne dubara mudke mujhe nahee dekha
Who is he? oh my gosh
Divana hai dekho bekarar woh, sambhalo sambhalo naa pyar ho
Apna banake dekho dil naa chura le woh
Aisa kyun lage hai bolo naa
Jhum chik chik jhum, tum bolo hai woh kaun jo
Bar bar yeh dil khota hai dekhake usako
We' re cool like tat, we' re hip like tat
Gruv like tat, we will like tat, hey we' re like tat
Whatever
Pehlee bar dekha hai aisa, ajnabee naa ajnabee ke jaisa
Duneeya me dosto kee vaise kamee nahee hai yar
Hota hai phir bhee naa jane kyun dil bekarar
Hai re hai kya huwa naa jane kyun, dhadke hai dil bar bar
Begana hai dekho thoda yar woh, ha sambhalo sambhalo naa pyar ho
Apna banake dekho dil naa chura le woh, aisa kyun lage hai bolo naa
Jhum chik chik jhum, tum bolo hai woh kaun jo
Bar bar yeh dil khota hai dekhke usako
Attitude hu what does he think of himself
Just go tell him who i am
Hmm... aankho me dub jane ko, ham bekarar baithe hai
Ek pal me sab lutane ko, uspe hee yar baithe hai -2
Barso se ek chehra dil me rehta hai jo yar
Shayad kahee usako hai hamara intejar
Hai re hai kya kahe jab dekhe woh, bharke aankho me pyar
Divanee hai dekho bekarar woh, sambhalo sambhalo naa pyar ho
Apna banake dekho dil naa chura le woh, aisa kyun lage hai bolo naa
Jhum chik chik tum kya jano mere hal ko
Bar bar yeh dil khota hai dekhke usako
Comeon comeon comeon, come tell us, tell us who u are
Who are you?
