Do diwaane shahar me, raat mein yaa dopahar mein  
Aabodaanaa dhoondhate hai, yek aashiyaanaa dhoondhate hain  
In bhoolabhoolaiyyaa galiyon mein apanaa bhee koe yek ghar hogaa  
Anbar pe khoolégee khidakee, yaa khidakee pe khulaa anbar hogaa  
Asamaanee rang kee aakhon me, basane kaa bahaanaa dhoondhate hain  
Jab taare jameen par jalate hain, aakaash jameen ho jaataa hain  
Us raat naheen fir ghar jaataa, wo chaand yahee so jaataa hain  
Palabhar ke liye in aakhon mein, hum yek jamaanaa dhoondhate hain
