Do nain hay hay tere do nain
Rangin chalakte pyale kehne ko hain bhole bhale
Hain aag lagane wale, do nain hay hay.....
Do nain hay hay tere do nain
Masum bade sharmeele yeh jam jo koyee pee ley
Jee bhar key jahan me jee ley, do nain hay hay.....
Sabse nirale nain hain tere jinke hain divane sabhee
Jane kitne rup hain inke jehar hain kabhee amrit hain kabhee
Jab chahe sharabee kar de har chij gulabee kar de
Ik pal me karabi kar de, do nain hay hay.....
Uthate jhukate inn naino me ikrar aur inkar bhee hai
Badalee badalee inn najaro me gussa bhee hai pyar bhee hai
Puchho naa fasana inka chuke naa nishana inka
Hai aaj jamana inka, do nain hay hay.....
