Do u waana partner o partner -2, let me let me say  
Do u wana partner o partner -2, let me let me say  
Let me let me say  
Dil dhadak hai yeh mohabbat, udata jaa re behisaab too  
Teraa pyaar hai sawaal bhee, usaka dede khud jawaab too  
Lekin kintu parantu bandhu, han han.....  
Lekin kintu parantu bandhu, saamane woh aate hai  
Dil me dhadkan, muh me jabaan aur saanse ruk jaatee hai  
Let me let me say  
Do u wana partner o partner -2, let me let me say  
Do u wana partner o partner  
Let me let me say  
Kabhee kabhee kabhee mai, yuhee yuhee sochata hu  
Hello, hi, how r u? se aaghe kabhee badh sakata hu  
Udatee julfe honth sabnamee han -2, raate ho pyaar kee  
Mil jaayengee teree mohabbat, aa sikha du ashikuie  
Let me let me say  
Ek taraf khuda mile abb, ek taraf mile sanam  
Sorry khuda bolke bas, mang lunga mai sanam  
Sapane aansu yaade waade -2, chaahat kee daastan  
Prem nagar kee prem dagar kaa bada kathin rasta  
Let me let me say  
Do u wana partner o partner -2, let me let me say  
Let me let me say  
Do u wana partner o partner -2, let me let me say
