Donon ne kiya tha pyar magar
Mujhe yaad raha tu bhool gayi
Maine tere liye re jag chhoda
Tu mujhako chhod chali
Toone mujhase kiya tha kabhi wada
Meri taal pe tu daudi chali aayegi
Kaisa bandhan hai pyar ka ye bandhan
Ise chhod ke tu kaise chali jaayegi
Kyaa yahi hai vafaa mujhe ye to bata
Meri mahua, woh tere wade kyaa hue
Kyaa yahi hai vafaa, mujhe ye to bata,
Meri mahua o meri jaana
Dono ne kiyaa iqraar magar
Mujhe yaad rahaa tu bhool gayi
Maine tere liye re jag chhodaa
Tu mujhako chhod chali
Aaj main apne dil ki sadaa se
Aasamaan ko hilaa ke rahoonga
Maut ki neend sone waali
Aaj tujhako jagaa ke rahoonga
Tu na jaagi to main aansuon mein
Saare jag ko baha ke rahoonga
Tu agar us jahan se na aayi
Is jahan ko jala ke rahoonga
Tu hai mera badan main badan ka..
Rooop wapas bula ke rahoonga
O meri aatma aatma ko
Aatma se milaake rahoonga
Tu hai meri dulhan aaj hoga
Milan meri mahua
Woh tere wade kya hue
Kya yahi hai wafa,
Tu hai meri dulhan aaj hoga
Milan meri mahua, o meri jana
Dono ne kiya izahaar magar
Mujhe yaad rahaa tu bhool gayi
Maine tere liye re jag chhoda
Tu mujhako chhod chali
Maine tere liye re jag chhoda
Tu mujhako chhod chali.
