Ajeeb itefaak hai kya mulaakaat hai  
Ajeeb itefaak hai kya mulaakaat hai  
Mil gaye aaj phir koyi toh baat hai  
TakkaLuf chhodiye, aji taaruf kijiye  
Aaye aur chal diye  
Don' t say alvida -3 na kaho alvida  
Chalate chlate raahon mein rukane laga hoon  
Aisa toh nahi tha jaisa ho gaya hoon  
Aaye hawa toh milu muskuraake, kisse sunaau karu teri baatein  
Jaane kyun lagata hai yeh sapana, kyun koyi ho raha hai apana  
Aise kyun kho rahi hai duniya, kyun lage abb nahi hoon tanaha  
TakkaLuf chhodiye, aji taaruf kijiye, aaye aur chal diye  
Don' t say alvida -3 na kaho alvida  
Shikawa nahi hai tujhase shikaayat nahi hai  
Teri har baat mujhako achchi lagati hai  
Dekho jo mudake darata hai yeh dil  
Kahin raason pe kho na jaaye manjil  
Tera yuun milana ek karam hai, dil mera tod na kasam hai  
Tere bina tanaha tanaha hum hai, ruk ja jindagi kasam hai  
TakkaLuf chhodiye, aji taaruf kijiye, aaye aur chal diye  
Don' t say alvida -3 na kaho alvida
