Door jao na tum, door jao na tum  
Paas aao, abr ban ke sanam,  
Abr ban ke sanam  
Baras jao, o baras jao  
Door jao na tum, door jao na tum  
Paas aao, come closer to me  
Come closer to me,  
Come closer to me my love  
Door jao na tum paas aao  
Hawao mein garmi hai ya sanso ki aag hai  
Hawao mein garmi hai ya sanso ki aag hai  
Tan man sulagne laga, badhne lagi pyaas hai  
Honho se honho ki, honho se honho ki  
Pyaas bujhaao, abr ban ke sanam,  
Abr ban ke sanam  
Baras jao, o baras jao  
Door jao na tum, door jao na tum  
Paas aao  
Kitni hai chahat teri kaise bataun sajan  
Kitni hai chahat teri kaise bataun sajan  
Hatti najar na ab to kaisi lagi hai lagan  
Tut ke baanho mein,  
Tut ke baanho mein bikhhar jao  
Abr ban ke sanam, abr ban ke sanam  
Baras jao, baras jao,  
Come closer to me  
Come closer to me,  
Come closer to me my love  
Door jao na tum, door jao na tum  
Paas aao, come closer to me  
Come closer to me,  
Come closer to me my love.
