Koi mujhko ye bataaye
Kyun ye doori aur majboori
Iss duniya ki kya story
Kiske haath mein iski doori Right mein building aasmano ko chhu ri
Left mein bacchi bhookhi sadko pe so ri
Kaisi yeh majboori paisa rehna hai zaroori
Nahi to kaise hogi poori teri seena-zori Lambi gaadi jitni kiski kholi
Haan chawal ki khali bori
Ek paiso se bhari poori
Kaisi ye majboori, haan?
Bol na! Ab dekho toh hum paas lekin
Socho kitni doori hai
Ab kaisi yeh majboori hai
Socho kitni doori hai (x2) Ye toh saara 200 takka done hai
Jitna kaala tera mann
Utna kaala tera dhann
Woh tarfa shoot karte bole gun
Yeh tarfa karte hain chillum
Wahaan pe peti peti dhan
Yahaan pe kheti kheti gandh
Ek duniya mein do duniya ujala ek andhera
Ek Sethji aur ek Chaila
Kahin to Motimahal mein koi jee raha hai akela
Kahin to local dibbe mein hai rele pe hai rela
Unki seva inki mewa, haan? Ab dekho toh hum paas lekin
Socho kitni doori hai
Ab kaisi yeh majboori hai
Socho kitni doori hai (x2) Ghar pe sabke apne apne gham hain
Deewarein zyaada
aur bole kamre yahan kam hain
Soch mein yeh wazan hai
Kyunki khali sab bartan hain
Mera karma ya karam hai
Ab toh todna yeh bharam hai Mujhko seene se laga ke kuch nahi kehti
Meri maa bas roti
Meri maa meri Fauji
Meri maa meri boli
Meri lori mat rona mat rona
Ab toh honi hai anhoni
Ab honi hai anhoni maa Ab dekho toh hum paas lekin
Socho kitni doori hai
Ab kaisi yeh majboori hai
Socho kitni doori hai (x2)
