Dost hai hum toh
Ye bahana kyun
Pyaar hai humko
Yeh chupana kyun
Lets go
Heyy you just left me all
Alone in the dark no
When you have to leave me
What to give me
All thats whack hey
Yeah yeah iâ€™m shattered now
Feeling so bad now
Iâ€™m tryinâ€™ to move
Tryinâ€™ to groove
But this is workinâ€™ somehow
Used to be a hustla
Shooting gun making dollars
Used to be a ghâ€™zala
Smokinâ€™ pots sippin hollow
Now all this money is
Helping me to forget
All this fate of god
Fate of god
Dost hai hum toh
Ye bahana kyun
Pyaar hai humko
Yeh chupana kyun
Dost hai hum toh
Ye bahana kyun girl
I loved you
Pyaar hai humko
Yeh chupana kyun
Girl i loved you
Heyy
You just left me all
Alone in the dark
You just left me all
Alone in the dark
You took your time
And walk inside
My heart baby
Itâ€™s not a game
You break it up
And make it up
Break it up again again
You walked into
My heart again
You break it up again again
I say no game they say no liar
Ainâ€™t just another name
Donâ€™t you hide donâ€™t you slide
Itâ€™s love and not a shame
They say no game they say no lie
I ainâ€™t just another name
I donâ€™t know whatâ€™s in your mind
But love is another pain
Dost hai hum toh
Ye bahana kyun
Pyaar hai humko
Yeh chupana kyun
Dost hai hum toh
Ye bahana kyun
Girl i loved you
Pyaar hai humko
Yeh chupana kyun
Girl i loved you he
You just left me all
Alone in the dark
You did this play
You did this to me
Girl i loved you
When you were
On the phone
Girl i loved you
On the bed
When we moan

Girl i loved you
Every second
On the clock
Girl i loved you
Even moment
When you gone.
