Dost milte hain bichhadne ke liye
Phul khilte hain bikharne ke liye
Aashiya bante ujadne ke liye
Abb samajh aaya ke duniya kya hai
Ik ubal tha ik junun tha, mere jism me garm khun tha
Socha kuchh nahee bas nikal gaya
Apni aag me khud hee jal gaya
Dhup chadhatee hai utar jatee hai
Mauj sahil pe thahar jatee hai
Bat bhee had se gujar jatee hai
Abb samajh aaya ke duniya kya hai
Har taraf yaha maut hai ravan
Jindagee mujhe layee hai kahan
Dekha aaina toh mai dar gaya
Jine ke liye kitna mar gaya
Vakt jadu hai yeh chal jata hai
Rup kaa rang bhee dhal jata hai
Tap ke loha bhee pighal jata hai
Abb samajh aaya ke duniya kya hai
Duniya kya hai
