Chand ko chura lo
Baandh ke usey zameen pe laao
Saath mein bithao
Raat bhar jagaao
Khwahishon ka ye alaav bhi jalao

Doston aadha aadha na bhid na jaayo
Baat se mukar na jaayo
Yun idhar udha na jaayo

Khwaab khwaab dolte kadam
Gol gol ghoomte veham
Ishaare tumhaare ye saare
Kinaare lag jayenge sahaare
Ban jayenge Sitaare
Aasmaan se utaaroo aur jebein bhar lo
Jo bhi chaahе manmaaniya karo

Doston baal ki na khaal kheench lo
Chaal dekh bhaag ke chalo
Jo bhi hai sawaal pooch lo

Humsafar bana lo chandni ke rang mein naha lo
Sur mein sur mila lo
Dil mein ghar bana lo
Zindagi ke aas paas paas aao

Doston na bahanebaziyan karo
Ulti seedhiyan na tum chadho
Pyaar ki kitaab bhi padho

Doston na bahanebaziyan karo
Ulti seedhiyan na tum chadho
Pyaar ki kitaab bhi padho
