Dua kya rang laai hai nasheeli raat aai hai  
Nasha kya dil pe chhaaya hai duhaai hai duhaai  
Deevaane dil ke deevaane aaye hain jaan lutaane  
Anjaam kya hoga tera jaan-e-tamanna tujhe ye nahi hai pata  
Deevaane dil ke  
Anjaam se darana kaisa ho jaayega aaj tera mera faisala  
Deevaane dil ke  
Bada rangeen jahaan hai gayaamat ka ye samaan hai  
Dil mein aag lagi hai utha mahafil mein dhuaan hai  
Abhi to jaam dhalenge abhi to daur chalenge  
Nashe ke rang ghulenge dilon ke raaz khulenge  
Yahaan kise kisane loota diya kisane yahaan dhokha  
Rukh-e-roshan se ye parda jo utha doon main to kya hoga  
Chali aai hai kahaan se tu yahaan se bach ke nikal ja  
Lute na muft mein meri jaan abhi hai vaqt sambhal ja  
Kisamein yahaan kitana dam hai  
Dekhoon re dekhoon re dekhoon re main bhi zara  
Deevaane dil ke ...  
Tere sadake tere qurbaan tere jalave hain ya toofaan  
Kahaan aake kahaan rakh di nishaane par yahaan ye jaan  
Are ye jaan are ye jaan  
Abhi parde se hai parda raaz raaz abhi hai  
Hatheli par ye jaan leke ye saari umr kati hai  
Utha parda dikha jalava zara dekhoon to tu kya hai  
Sulagate tere seene mein dabi ye aarazu kya hai  
Kyon jhoothi zid pe ada hai mere peechhe kyon pada hai  
Ye raahen sholon se bhari hain jahaan is vaqt khada hai  
Zid ye tujhe soojhi kya hai  
Jaanon re jaanon main jaanon main iraada tera  
Deevaane dil ke ...  
Main gazab hoon main bala hoon mujhe na haath lagaana  
Nahi mumakin mere dil ko khilauna aise banaana  
Gazab ho ya bala koi yahaan kathaputali ban jaaye  
Meri mahafil mein aake husn koi bach na jaaye  
Ye maana teri mahafil mein teri manamaani chalati hai  
Phoonk de saari mahafil ko shamaan jab aisi jalati hai  
Agar hamase ulajhega tu yaad rakh tu pachhataayega  
Udenge phir aise shole khaaq mein tu mil jaayega  
Khulengi jab teri aankhen tujhe raste pe laayenge  
Kaam jo karane aaye hain kaam vo kar ke jaayenge  
Karoonga faisala jo main yahaan vo faisala hoga  
Mujhe maaloom hai kisaka yahaan anjaam kya hoga  
Jise na maut ka dar ho vo apni jaan par khele  
Ghadi hai aakhari teri kuda ka naam tu le le  
Jaan rahe chaahe jaaye kar jaayenge aaj ham bhi tera faisala  
Deevaane dil ke ...
