Dulhan koi jab jab rachati hai mehndi  
To mayake ki yaade bulati hai mehndi  
Dulhan koi jab jab rachati hai mehndi  
To mayake ki yaade bulati hai mehndi  
Nigaho me jitne hai sapne kanware  
Sabi ko suhaghan banati hai mehndi  
Dulhan koi jab jab rachati hai mehndi  
To mayake ki yaade bulati hai mehndi  
Sabhi betiya kisi ki amanat  
Yahi reet duniya me sab ne nibhayi  
Pati aur patni ke pawan milan pe  
Ye mehndi humesa bani hai gawahi  
Sabhi jodiya aasma per hai banti  
Jami pe unhi ko milati hai mehndi  
Dulhan koi jab jab rachati hai mehndi  
To mayake ki yaade bulati hai mehndi  
To mayake ki yaade bulati hai mehndi  
Vo dahjid chuti vo angan bhi chuta  
Jaha se janma aur jana tha maine  
Vo dhali jis se mai udke gayi thi  
Vaha laut ke anaaA tha maine  
Hasti hai mehndi rulati hai mehndi  
Banti hai mehndi mitati hai mehndi  
Banti hai mahndi mitati hai mahndi  
Ye riste hai resham ke dhage ke jaise  
Inhe jaise bando bandege vaise  
Karo dur har fasale ka andera  
Jaha khul gayi aankh samje savera  
Gile aur shikave mitati hai mehndi  
Ye bichde huo ko milati hai mehndi  
Gile aur shikave mitati hai mehndi  
Ye bichde huo ko milati hai mehndi  
Ye bichde huo ko milati hai mehndi.
