Suna suna lage piya tu, abb toh ghar aa ja  
Kurbate aur yeh faasle, kartee hain kyun badgumaan  
Saamne chehara naa ho teraa, kyun lage viraan viraan  
Mann me tere kya hai -2, teraa meraa bandhan hai kya  
Duriya yeh duriya, duriya yeh faasle  
Mohabate aur yeh raaste, chaahato ke darmiya  
Dekhte tujhe ham kahee naa mil saka hame woh sama  
Kya huwa woh mausam yaad hai jo kam kam  
Abb woh manjar dhunde kaha  
Duriya yeh duriya, duriya yeh faasle  
Suna suna lage, piya tu abb toh ghar aa ja
