Hey now hey now
Everybody put your hands up in the air now
Hey now hey now
Everybody put your hands all up and say
Uski aankhon mein baatein
Baaton mein jadoo
Say here now here now
Say here now here now
Uski aankhon mein baatein
Baaton mein jadoo
Jadoo mein kho gaye hum
Ho gaye bekabu
I looked at you, you looked at me
Aur ho gayi mushqil
And you became my destiny tuhi meri manzil
Dus bahane dus bahane..dus bahane&dus..dus&
Dus bahane karke le gaye dil le gaye dil..
Dus bahane karke le gaye dil le gaye dil..
Dus bahane karke le gaye dil le gaye dil..
Jaane hua hai kya
Main toh ho gai laapta, laapta
Tune na jaane kya jadoo kiya hai
Kya pata kya pata
I looked at you, you looked at me
Aur ho gayi mushqil
And you became my destiny tuhi meri manzil
Dus bahane karke le gaye dil..le gaye dil
Dus bahane karke le gaye dil..le gaye dil
Dus bahane karke le gaye dil..
Hey now hey now
Everybody put your hands up in the air now
Hey now hey now&
