Here now here now everybody
Put your hands up in the air now
Here now here now everybody
Put your hands up in the air
Uski aankhon mein baatein
Baaton mein jadoo
Say here now here now
Uski aankhon mein baatein
Baaton mein jadoo
Jadoo mein kho gaye
Hum hogaye beqabu
I looked at you
You looked at me
Aur hogayi mushkil
And you became my
Destiny tuhi meri manzil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karke legaye dil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karke legaye dil
Here now here now everybody
Put your hands up in the air now
Here now here now everybody
Put your hands up in the air
Yeh dil topehle aisa nahin tha
Kisne behkaya aisa
Sapna dikhaya kyun
Yeh aankhein meri dekhe ussi ko
Soche bina hi usse
Apna banaya kyun
Jeena to marné se
Ab hai kahi mushkil
Khudko jo khoya to
Woh hogaya haasil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karke legaye dil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karke legaye dil
Here now here now everybody
Put your hands up in the air now
Here now here now everybody
Put your hands up in the air
Kisne kisiko haske bulaya
Baatein banake koi
Jadoo sa chalaya tha
Bas dekha dekhi dil se hui thi
Duniya bhulake koi
Aise dil pe chaya tha
Kiske bin kya hoga
Yeh kh sake na dil
Khudko yeh samjhana
Ab ho gaya mushkil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karke legaye dil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karke legaye dil
Uski aankhon mein baatein
Baaton mein jadoo
Jadoo mein kho gaye
Hum hogaye beqabu
I looked at you
You looked at me
Aur hogayi mushkil
And you became my
Destiny tuhi meri manzil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karke legaye dil
Dus bahane karke
Legaye dil legaye dil

Dus bahane karke legaye dil
Dus bahane karke
Legaye dil legaye dil
Dus bahane karkē legaye dil.
