Een meen saade teen  
Hain gaya mera chhin  
Kaise jiyu tere bin  
Taaron ko yun gin gin  
Aaja aa bhi ja na tarase milan ko,  
Mann mann mann mann  
Main hoon dil tera tu hai meri,  
Dhadkan dhadkan dhadkan  
Een meen saade teen  
Chain gaya mera chhin  
Kaise jiyu tere bin  
Taaron ko yun gin gin  
Aaja aa bhi ja na tarase milan ko,  
Mann mann mann mann  
Main hoon dil tera tu hai meri,  
Dhadkan dhadkan dhadkan  
Hai bahaaron ka ye mausam  
Dur hai tu bas yeh hai gham  
Beet jaaye na yun hamdam  
Pyaar karane ka yeh mausam  
Ga raha hai aasmaan bhi  
Hai rangila yeh sama bhi  
Ho bhi jaane de meri jaan  
Dil se dil ka aaj sangam  
Dil mein pal pal hoti hai jo halchal  
Kahin kar dena kal  
Yun hi mujhe paagal  
Aaja aa bhi ja na tarase milan ko,  
Mann mann mann mann  
Main hoon dil tera tu hai meri,  
Dhadkan dhadkan dhadkan  
Een meen saade teen  
Chain gaya mera chhin  
Kaise jiyu tere bin taaron ko  
Yun gin gin  
Aaja aa bhi ja na tarase milan ko,  
Mann mann mann mann  
Main hoon dil tera tu hai meri,  
Dhadkan dhadkan dhadkan  
Ho..o..badh rahi hai bekaraari  
Udd raha hai mera aanchal  
Mujhko baahon mein chhupa le  
Pyaar mein hoon tere paagal  
Kar raha hai mujhko ghayal  
Teri aankhon ka yeh kajal  
Jaanu main kya kah rahi hai  
Karke chhan chhan teri paayal  
Khan khan khan khan  
Khanake hai kangan  
Deewaanapan jaan le saajan  
Aaja aa bhi ja na tarase milan ko,  
Mann mann mann mann  
Main hoon dil tera tu hai meri,  
Dhadkan dhadkan dhadkan  
Een meen saade teen  
Chain gaya mera chhin  
Kaise jiu tere bin  
Taaron ko yun gin gin  
Aaja aa bhi ja na tarase milan ko,  
Mann mann mann mann  
Main hoon dil tera tu hai meri,  
Dhadkan dhadkan dhadkan  
La la la la la la  
La la la la la la.
