Ek akela iss shahar me, rat me aur dopahar me
Aabodana dhundata hai aashiyana dhundata hai
Din khalee khalee bartan hai aur rat hai jaise andha kuan
Inn sunee andheree aankho se aansun kee jagah aata hain dhan
Jine kee vajah toh koyee nahee marne kaa bahana dhundata hai
Ek akela iss shahar me.....
Inn umar se lambee sadkon ko manjil pe pohonchte dekha nahee
Bas daudatee phirtee rahtee hain hamne toh theherete dekha nahee
Iss ajnabee se shahar me jana pehechana dhundata hai
Ek akela iss shahar me.....
