Ek andhera laakh sitaare, ek niraasha laakh sahaare
Sabse badi saugaat hain jeevan naadaan hain jo jeevan se haare
Duniya ki yeh bagiya aise jitne kaante
Phool bhi utane daaman mein khud aa jaayenge
Jinaki taraf tu haath pasaare
Bite huye kal ki khaatir tu aanewaala kal mat khona
Jaane kaun kaha se aakar raah teri phir se sawaare
Dukh se agar pehchaan ho toh kaisa sukh kaisi khushiya
Tufano se ladkar hi toh lagate hain sahil itane pyaare
