Raat gaye haye  
Ek banjaran gumshuda ho gayi  
Raat gaye ek prem-pujan  
Phir khuda ho gayi  
Aaja phir se jannat chakha du  
Ek hi raat hai  
Lab ya paimane se pila du  
Ek hi baat hai  
Raat gaye haye  
Ye banjaran gumshuda ho gayi  
Raat gaye wo prem-pujan  
Phir khuda ho gayi  
Mehbooba-mehbooba  
Mehbooba  
Raat tera suroor jo  
Sadko pe nikle  
Badtameez meri parchhayi  
Pakadke chale  
Jism ki hadd se pare  
Dil se kya arz kare  
Band kachehri me ho  
Band kachehri me  
Kyun dil ka mamla darz kare  
Raat kafi nahi  
Raat baki nahi  
Aaj dil ki shama bujha do  
Raat kafi nahi  
Jism se ek shola jala do  
Raat baki nahi  
Raat gaye haye  
Ek awaran bewafa ho gayi  
Raat gaye wo prem-pujan  
Phir khuda ho gayi  
Mehbooba-mehbooba  
Mehbooba  
Tujhko chhune ke baad se  
Allah reham kare  
Tujhko chhune ki yeh zarurat  
Kuch to kam kare  
Mastiya aise lute  
Raat bhi soke uthe  
Jane wo kya dekhe haye  
Subah to  
Khwabo me khoke uthe  
Beparwah hai laparwah hai  
Aatishe bikhri hai badi  
Ye beparwah hai  
Khwahishe sulgi huyi  
Aur laparwah hai  
Raat gaye ye shokh pahadan  
Behaya ho gayi  
Raat gaye wo  
Prem-pujan phir khuda ho gayi
