Ek bar tum aana phir bhale laut jana  
Meraa bita huwa kal lana sagar ke kinare aana  
Wahi ret kaa ghar hai banana  
O o o.....  
Chanda tha jaha wahi hai abhee, sitaro kee jhilmil wahi  
Jis mod pe ham mile the kabhee, woh mod abhee hai wahi  
Kajra lagana palake jhukana, milana teraa sharmana  
Ek bar tum aana phir bhale laut jana  
Meraa bita huwa kal lana sagar ke kinare aana  
Chaha jo yaha mila hai sabhi, han tumako magar kho diya  
Sapanon kaa shahar ho apana hua, ek tu hee naa meraa hua  
Mujhko manana khud ruth jana, dekha naa teraa itarana  
Ek bar tum aana phir bhale laut jana  
Meraa bita huwa kal lana sagar ke kinare aana  
Wahi ret kaa ghar hai banana  
O o o.....
