Ek chand badalon mein  
Chhupa chhupa ke dekhta hai  
Ek chand badalon mein  
Chhupa chhupa ke dekhta hai  
Mera chaand kitana sundar  
Mera chaand kitana sundar  
Aur kaisa dilruba hai  
Mera pyaar hai zameen par  
Insaan yaa devta hain  
Mera pyaar hai zameen par  
Insaan yaa devta hain  
Us ko samaj na paaun  
Us ko samaj na paaun  
Sab se juda juda hai  
Alhan hai naazani hai  
Hai pyaar se bhi pyaari  
Aye alhan hai naazani hai  
Hai pyaar se bhi pyaari  
Samja sakoon na dil ko  
Samja sakoon na dil ko  
Janmo se ye fidda hai  
Mera pyaar hai zameen par  
Insaan yaa devta hain  
Ek chand badalon mein  
Chhupa chhupa ke dekhta hai  
Hum saath hi jeeyenge  
Hum saath hi mareenge  
Hum saath hi jeeyenge  
Hum saath hi mareenge  
Waada raha humara  
Waada raha humara  
Humne yahin adda hai  
Ek chand badalon mein  
Chhupa chhupa ke dekhta hai  
Mera pyaar hai zameen par  
Insaan yaa devta hai  
Aisi huyi deewani  
Kuchh hoosh na pata hai  
Ho aisi huyi deewani  
Kuchh hosh na pata hai  
So so janam ka apna  
So so janam ka apna  
Ye saath khuda hai  
Ek chand badalon mein  
Chhupa chhupa ke dekhta hai  
Mera pyaar hai zameen par  
Insaan yaa devta hai.
