Huun ek dafa ek jungle tha
Ek dafa ek jungle tha
Us jungle mein ek gidad tha
Bada lofer bada lichad awara
Us jungle paar ek basti thi
Us basti mein vo jata tha rojanaa .
Haan rojanaa .haan haan
Ek dafa ek jungle tha
Us jungle mein ek gidad tha
Bada lofer bada lichad awara
Ek dafa us basti ke
Kuton ne usko dekh liya
Is mod se usko dodaya
Us mode jake gher liya
Jab kuch na suja gidad ko
Diwar ke upar se kuda aaaaa
Somuu
Kuch nahin hoa chinta nahin balika
Huuu haaan heyheeee haa hee
Acha kahani kaha tak phonchi
Somu gir pada
Dhat! Sumu nahin gidad
Us paar kisi ka aagan tha
Aagan mein nil ki handi thi
Handi thi vo nili thi
Kya thi
Nili thi
Us nil mein yun gira gidad
Sab ho gaya kichad hi khichad
Are khichad huun
Sub kichad kichad hhhh kichad thooooo
Kute jab bhonk ke bhag gaye
Gidad ji handi se nikale haan
Aur dhoop chade jungle pahoonche
Upar se niche tak nile
Haan haan acchha haan
Sab janwar dekh ke darne lage
Yeh kaun hai kaisa jaanwar hai
Haan muje pata hai
Kya pata hai gidad
Chup bhudhu khan se aagayi
Haaan huun sab janwar
Dekh ke darne lage
Yeh kaun hai kaisa jaanwar hai
Dikhne mein to nila dikhta hai
Ander se lal bojakad hai
Gidad ne bhi chalaki ki
Kya kiya moti aawaj mein guraya
Mein raja hoon mein raja hoon ab jungle ka
Mujko bhagvaan ne bhijvaya hhaaaaaa
Hhhiiiiiiii
Sher ki dum hilne lagi
Aur muh se bas nikala hello hhaaaann
Bander ka muh lal hata hai na haan
Dark e mare ho gaya yellow
Ahhhaan
Jitney they jungle mein voh
Sab gidad ka pani bharne lage
Ahh kyun
Samje koi avatar hai vo aur
Uski seva karne lage
Jahanpanah allam panah
Umaroojano didare
Yaar tasrif la rahe hain
La rehe hain
Marunga tuje
Bahut din ke baad
Ek din kuch aisa hua uss jungle mein
Dhum dahdam dhudum dhadam
Ahhhan ahaan ahaan
Aye aye darti kyun ho
Tum shor kyun kar rahe ho
Mein shor nahin karunga
Mein to bijli hoon bijali bijali
Tum to gidad the na
Achha mein sab kuch hoon

Achha aawo bas
Bas bolo!
Swan ke mahine mein ek din
Kuch gidad milke gane lage
Vaa vaa vaa vhuu vaaa .
Vaa vaa vaa vhuu vaaa .
Vaa vaa vaa vhuu vaaa .
Vaa vaa vaa vhuu vaaa .
Vaa vaa vaa vhuu vaaa .
Nile gidad ko bhi josh aaya
Aur biradiri per itrane lage
Aur jhoom ke jab aalap liya
Ahhha ne re gaa
Are ahha ne re gaa
Kase kase
Ahhhan ne re ne re gaa
Ahha ahhaaaaa hhhhan oooooo
Are baapre pehchane gaye
Aur pakade gaye
Har ek ne khoob pitayi ki
Sub rang utar gaye raja ke
Aur sabne khoob dhulayi ki
De dhana dhan le danadan
Bol dana dan bol dana
Dan bol danna dan
Bol dana dan bol dana
Dan bol danna dan
Haaaaaaah haaaaaaah.
