Ek daur woh bhee tha
Ek daur yeh bhee hai
Ek daur woh bhee tha
Ham jo kah naa paate the, aap woh bhee sunate the
Kaanto ko pare karake ek phul chunate the
Ek kvaab bunate the, ek daur woh bhee tha
Ek daur yeh bhee hai
Jo bhee kahana sunana hai, khud se kahate sunate hain
Phul ho ke kaante ho, apane aap hee chunate the
Jitane sapane tute hain, utane sapane bunate hain
Ek daur yeh bhee hai, yeh bhee hai, yeh bhee hai
Ek daur woh bhee tha
Ham jahan bhee jaate the, saath saath jaate the
Saath ladakhadaate the
Saath ladakahadaate toh ham sanbhal bhee jaate the
Ek daur woh bhee tha
Ek daur yeh bhee hai
Abb jahan bhee jaate hain, puchhate hain raste bhee
Kyon akele phirate ho
Iss tarah sanbhalana kya, lagata hai ke girate ho
Ek daur yeh bhee hai -2 yeh bhee hai, yeh bhee hai
Ek daur woh bhee tha, jab bahut thee najadikee
Ek daur yeh bhee hai, jab hai utanee hee duree
Kisako dosh de koyee, vakt kee yeh majaburee
Raat baakee hai lekin nind ho chukee puree
Ek daur woh bhee tha, woh bhee tha, woh bhee tha
Ek daur yeh bhee hai, yeh bhee hai, yeh bhee hai
