Ek din tumne kaha tha ji
Hum tumhare aur tum humare
Aur hum tumhare
Ek din tumne kaha tha ji
Hum tumhare aur tum humare
Aur hum tumhare
Bhul gaye sab baate apni
Bhul gaye sab baate apni
Kaha gaye wo wade tumhare ji
Wade tumhare wade tumhare
Ek din tumne kaha tha ji
Hum tumhare aur tum humare
Aur hum tumhare
Chandani raato mein jo
Tumne humne mahel banaya tha
Jo mahel banaya tha
Chand sitaro se ji
Humne tumne sajaya tha
Ji ha sajaya tha
Us din tumne yeh kaha tha
Us din tumne yeh kaha tha
Suno humari rani
Hum hai raja tumhare
Raja tumhare ji raja tumhare
Ek din tumne kaha tha ji
Hum tumhare aur tum humare
Aur hum tumhare
Wo pyari pyari mithi mithi
Baate kaha gayi
Baate kaha gayi
Wo din sunahre raate suhani
Raate kaha gayi
Raate kaha gayi
Hum to ab nagar chhod aaye ji
Tere sahare ji
Tere sahare ji tere sahare
Ek din tumne kaha tha ji
Hum tumhare aur tum humare
Aur hum tumhare
Ab to bita baate piya
Yaad na karo
Yaad na karo
Ab to bhul humari raja
Maf bhi karo
Maf bhi karo
Hum to jiyenge ji
Hum to marenge ji
Sath tumhare ji
Sath tumhare
Ek din tumne kaha tha ji
Hum tumhare aur tum humare
Aur hum tumhare.
