Love bas love bas love bas love bas  
Ek doosre ke bin dono adhoore  
Ek doosre ke bin dono adhoore  
Ek jaaye duniya se  
Doojha bhi jeena paye  
Ek doosre ke bin dono adhoore  
Ek jaaye duniya se  
Doojha bhi jeena paye  
Love bas love bas love bas love bas  
Mana ke hum abhi umar mein  
Dono hai nadan  
Pyar mohabbat se hai  
Apni nayi nayi pahechan  
Naya naya hai abhi hamari  
Dil ne dhadakna sikha  
Soye soye armaano ne  
Abhi machalna sikha  
Gale laga ke chum ke humko  
Aaj karo yeh wada  
Ek jaaye duniya se  
Doojha bhi jeena paye  
Love bas love bas love bas love bas  
Samaj mein aane lagi ab  
Mujhko bhi dil ki baate  
Nahi gujarte ab din mere  
Katati nahi yeh raate  
Milu tumhe to ek pal mere  
Dil ko chain na aaye  
Aur agar na milu to phir bhi  
Mera mann gabharaye  
Chahenge hum tumhe hamesha  
Apne se bhi jyada  
Ek jaaye duniya se  
Doojha bhi jeena paye  
Ek doosre ke bin dono adhoore  
Ek jaaye duniya se  
Doojha bhi jeena paye  
Love bas love bas love bas love bas.
