Ek haath de ek hath le
Ek haath de hey ek haath le
Ek haath se aata hai ye
Ek haath se jata hai ye
Paisa paisa haye paisa
Latu jaisa nachata hai ye
Jaan le jaan le noto ki
Dada giri jan le jaan le
Maan le maan le paisa hai
Sabka bappa maan le
Maan le maan le maan le
Chaye ki pyalli aadhi bhari
Aadhi hai khali khali khali
Chaye ki pyalli aadhi bhari
Aadhi hai khali
Ek haath de ek hath le
Ek haath de hey ek haath le
Har din ki chindi chori se
Har din ki chindi chori se
Bhati ke jaisa dil jale
Aab daoo maare kon se
Aab daoo maare kon se
Kese musibat ye tale
Jane de jane de tension ki
Chidiya tu uud jane de jane de
Aane de aane de jaise
Taise paise ko tu aane de aane de
Buloo khyali par apni
Jhab hai khali khali khali
Buloo khyali par apni jhab hai khali
Ek haath de ek hath le
Ek haath de hey ek haath le
Fute maan me laddu
Hajar apne irade bhi kamal
Sapne hai saare restolaaj
Pocket hai than than than gopal
Than than than gopal
Oye than than, than gopal
Boyega jo katega wo
Life ka yahi rule hai
Jo samjha uss ki chal padi
Jo na samjha wo phool hai
Chaye ki pyalli aadhi bhari
Aadhi hai khali khali khali
Chaye ki pyalli aadhi
Bhari aadhi hai khali
De de de ek haath de
Le le le ek hath le
Ek haath de ek hath le
Ek haath de ek hath le
De de de
Ek haath de ek hath le
Ek haath de hey ek haath le.
