Ek ladki jo deewani si hai
Sach hai magar woh kahaani si hai
Aisi hasi dilnashi naajani aur kahin kasam se nahi
Hmm kasam se nahi, kasam se nahi
Sabse khubsurat hai woh, jinda koyi murat hai woh
Nahi yeh usako pata hai, usaki niraali ada hai
Naaj aisa kahin kasam se nahin, kasam se nahin
Ek ladki jo deewani si hai
Sach hai magar woh kahaani si hai
Aisi hasi dilnashi naajani aur kahin
Aisi waisi jaisi bhi ho, koyi toh ishaara karo
Itani si yeh iltaja hai
Tujhase umidein wafa hai
Saaj aisa kahin kasam se nahin, kasam se nahin
Ek ladki jo deewani si hai
Sach hai magar woh kahaani si hai
Aisi hasi dilnashi naajani aur kahin
Kasam se nahin, kasam se nahin, kasam se nahin....
