Ek pal ne jaate jaate, aanewaale pal se kaha, tu muskura  
Jo tere haathon mein nahi hai unn baaton se hai tu kyun khafa  
Ek pal ki har khushi hai, zindagi hai isi pal ki daastan  
Ek pal jo bhule jamin, chhule tere haathon mein hai jo aasmaan  
Na iss pal ka, na kal ka pata  
Na koyi shikava, na abb hai gila  
Tere dum se, main har gum se, hasake mila  
Na na nna na, na na na na na.....  
Yahaan dekhana chaaha apana koyi toh, mujhe ajanabihi mila  
Magar abb talak jo tha sabase paraaya, woh ek mera chehara hi tha  
Har aaina hasata raha, abb ja ke main khud se mila  
Na iss pal ka, na kal ka pata  
Na koyi shikava, na abb hai gila  
Tere dum se, main har gum se, hasake mila  
Na na nna na, na na na na na.....  
Chala hoon main raahon mein kitna akele, magar yeh safar hai naya  
Nahi manjilon ki hai koyi fiqar, jabse tu hamsafar ban gaya  
Tu hi safar, tu raasta  
Jaana kahaan tere siva  
Na iss pal ka, na kal ka pata  
Na koyi shikava, na abb hai gila  
Tere dum se, main har gum se, hasake mila  
Na na nna na, na na na na na.....  
Ek pal ne jaate jaate, aanewaale pal se kaha, tu muskura  
Jo tere haathon mein nahi hai unn baaton se hai tu kyun khafa  
Ek pal ki har khushi hai, zindagi hai isi pal ki daastan  
Ek pal jo bhule jamin, chhule tere haathon mein hai jo aasmaan  
Na iss pal ka, na kal ka pata  
Na koyi shikava, na abb hai gila  
Tere dum se, main har gum se, hasake mila  
Na na nna na, na na na na na.....
