You're the angel in my dreams i see
I wanna be with you forever and ever
You're the angel that i need
Who makes me so complete
I wanna be without you never
Beauty in grace grace
Fashion of your smiley face
Dassel enough my bright sun days
Ek pari pagal si aur kuch nadan si
Door pardes se aai mehman si
Barish me bheegti - 3
Sab se alag sab se juda anjan si
You're the angel in my dreams i see
I wanna be with you forever and ever
You're the angel that i need
Who makes me so complete
I wanna be without you never
Beauty in grace grace
Fashion of your smiley face
Dassel enough my bright sun days
Mahuve ka pi ke utara mausam bhi dol raha tha
I need a something i need a sweet something
I feel just sayin' in my heartbeat
Mahuve ka pi ke utara mausam bhi dol raha tha
Aa ke kano me us ke kuch to bhi bol raha tha
Lag ke seene se mil rahe the aise
Jese barso ki purani pehchan thi
Ek pari pagal si aur kuch nadan si
Door pardes se aai mehman si
Barish me bheegti - 3
Sab se alag sab se juda anjan si
Sa ni sa pa ma ga re ma
Ma pa dha pa ga re sa re ma ni pa ma
Waqt ki shakh se zindgi jorr rahi thi
Lamhe jo ninda gin gin bator rahi thi
Hoti yaha waha titliyo ki tarah
Sawan ki rimjhim badmashiyo pe mehrban thi
Ek pari pagal si aur kuch nadan si
Door pardes se aai mehman si
Barish me bheegti - 3
Sab se alag sab se juda anjan si
You're the angel in my dreams i see
I wanna be with you forever and ever
You're the angel that i need
Who makes me so complete
I wanna be without you never
Beauty in grace grace
Fashion of your smiley face
Dassel enough my bright sun days
Ek pari pagal si aur kuch nadan si
