Ek raaz hain mere seene mein,  
Ek raaz hain mere seene mein ek raaz  
Ek raaz hain mere seene mein,  
Ek raaz hain mere seene mein ek raaz  
Jo khul gaya yaro to alha hi jane  
Phir kya kya hoga mahfil mein  
Ek raaz hain mere seene mein,  
Ek raaz hain mere seene mein ek raaz  
Jo khul gaya yaro to alha hi  
Jane phir kya kya hoga mahfil mein  
Ek raaz hain mere seene mein,  
Ek raaz hain mere seene mein ek raaz  
Paw ki meri payaliya  
Kuch kahne ko tadpe  
Paw ki meri payaliya  
Kuch kahne ko tadpe  
Bindiya chudi kagna bhi  
Kuch kahne ko tarse  
Bindiya chudi kagna bhi  
Kuch kahne ko tarse  
Kaise samjhau in sabko yeh nadani  
Kar na baithe yeh deewane hai  
Lab khol diye jo to alha hi jane  
Phir kya kya hoga mahfil mein  
Ek raaz hain mere seene mein,  
Ek raaz hain mere sine mein ek raaz  
Jadu ki ye chadi hai chhoti kam bade iske  
Jadu ki ye chadi hai chhoti kam bade iske  
Woh insa bahdar ban jaye yeh ghume jispe  
Pyar bhi jahar bhi hain dono jisme  
Ye sola hai ye sabnam hai ye chingari hai  
Jo chal gaya jadu to alha hi jane  
Phir kya kya hoga mahfil mein  
Ek raaz hain mere seene mein,  
Ek raaz hain mere sine mein ek raaz  
Ek raaz hain mere seene mein,  
Ek raaz hain mere sine mein ek raaz  
Jo khul gaya yaro to alha hi  
Jane phir kya kya hoga mahfil mein  
Ek raaz hain mere seene mein,  
Ek raaz hain mere sine mein ek raaz.
