Oh oh oh oh&.. La la la la&&&
Ek raja hai, ek ranee hai
Pas paisa hai aur jawanee hai
Aur kya jindagane hai, oh aur kya jindagane hai
Sab nasibo kee yeh kahane hai
Teree chahat kee sab nishanee hai
Aur kya jindagane hai
Aur kya jindagane hai
Ghar hai ek mandir, tum mere devta ho
Maine rab se mangee, wohee tum duwa ho
Kaun hame duniya me itna pyar dega
Itnee khushee aur aisa sansar dega
Mujhe rehna hai inhee charno me, umrr bahon me yu bitanee hai
Aur kya jindagane hai, oh aur kya jindagane hai
Aisee apnee dostee hai aisa dostana
Yad karega hamko sara jamana
Dostee pe bilkul na karna bharosa
Dost banke dete hai log yaha dhoka
Dostee ham na kabhee todenge
Aaj hamne yeh dil me thani hai
Aur kya jindagane hai, oh aur kya jindagane hai
Aah aah aah aah aah&&&
Aisee gulshan toh baharo me khila karte hai
Aise ma bap nasibo se mila karte hai
Maine har roj duwa mangee hai teree khatir
Meraa har khwab ban gaya hai hakikat aakhir
Inn rishto ko ham nibhayenge, apnee puja bhee aajmanee hai
Aur kya jindagane hai, ho aur kya jindagane hai
Ek raja hai, ek ranee hai
Teree chahat kee sab nishanee hai, sab nasibo kee yeh kahane hai
Hai karam uska, meherbane hai
Aur kya jindagane hai,
Oh aur kya jindagane hai
Oh aur kya jindagane hai
Oh aur kya jindagane hai.
