Chote chote pahiyon pe
Sapno ki cycle
Udhte challenge aaj
Pedal ko markar
Hum..hum..hum
Bachon ki peeth pe
Pahad jaise bag hai
Kandhon se aajunhe
Challenge utarkar
Hum..hum..hum
Aankhon se
Hamari hume dekhne de
Khud se hume bhi
Kuch seekhne do
Hum ko jahan
Mazoor ho wahin
Tumhari duniya se
Badi door kahin
Ek school banana hai
Wahan tumko padhana hai
Jo bhool baithe ho
Woh yaad dilana hai
Ek school banana hai
Nanhi munhi muthiyon mein
Yeh nanha sa dream hai
Rakhte hai takiyon ke
Neeche jo sambhal kar
Hum..hum..hum
Baadlon se muskurake
Hath milate hai
Aasmaan ki ore
Apni gendon ko uchalkar
Hum..hum..hum
Aankhon se
Hamari zara dekh lo tum
Humse kabhi kuch
Seekh lo tum
Hum ko jahan
Mazoor ho wahin
Tumhari duniya se
Badi door kahin
Ek school banana hai
Wahan tumko padhana hai
Jo bhool baithe ho
Woh yaad dilana hai
Ek school banana hai
Wahan tumko padhana hai
Jo bhool baithe ho
Woh yaad dilana hai
Ek school banana hai
Wahan tumko padhana hai.
