Ek tha gul aur ek thee bulbul donon chaman me rahate the
Hai yeh kahane bilkul sachchee, mere nana kahate the
Bulbul kuchh aise gatee thee -3
Kaise gatee thee
Bulbul kuchh aise gatee thee, jaise tum baaten karate ho
Woh gul aise sharamata tha -3
Kaise sharamata tha
Woh gul aise sharamata tha, jaise mai ghabara jata hu
Bulbul ko malum nahee tha, gul aise kyon sharamata tha
Woh kya jane usaka nagma, gul ke dil ko dhadakata tha
Dil ke bhed na aate lab pe, yeh dil me hee rahate the
Lekin aakhir dil kee bate, aise kitane din chhupatee hain
Yeh woh kaliya hain jo ek din, bas kante ban ke chubhatee hain
Ek din jan liya bulbul ne, woh gul us kaa divana hai
Tum ko pasand aaya ho toh bolu, phir aage jo afsana hai
Bolo na chup kyon ho gaye
Ek duje kaa ho jane par, woh dono majbur huye
Un dono ke pyar ke kisse, gulshan me mashahur huye
Sath jiyenge, sath marengé, woh dono yeh kahate the
Nanda phir kya huwa
Phir ek din kee bat sunaau, ek sayyad chaman me aaya
Le gaya woh bulbul ko pakad ke, aur divana gul murjhaya
Shayar log bayan karate hain, aise unkee judayee kee baaten
Gate the yeh git woh donon, saiyya bina nahee katatee rate
Mast baharo kaa mausam tha, aankh se aansu bahate the
Aatee thee aawaj hamesha, yeh jhilmil jhilmil taaro se
Jiska nam mohabbat hai woh, kab rukatee hain diwaro se
Ek din aah gulo bulbul kee, uss pinjare se ja takarayee
Tuta pinjara chhuta kaidee, deta raha saiyyad duhayee
Rok sake na usako milake, sara jamana saree khudayee
Gul sajan ko git sunane, bulbul bag me wapas aayee
Nanda raja bahut achchhi kahane hai
Yad sada rakhana yeh kahane, chahe jina chahe marna
Tum bhee kisee se pyar karo toh, pyar gulao bulbul sa karana
