Hmmm..hmm  
Kuch bhi nahi tha lekin,  
Tera sahara tha..  
Jo kuch bhi tha, wo sab kuch,  
Wo sab kuch luta hua hai,  
Luta hua hai..  
Luta hua hai..  
Ek to sharab kam,  
Aur paimaana tuta hua hai  
Ek to sharab kam,  
Aur paimaana tuta hua hai  
Chehre pe zakhm hote kitne, uspe aaina,  
Tuta hua hai, tuta hua hai  
Tuta hua hai, tuta hua hai  
Ek hi mili hai zindagi,  
Kis kis ki karu mein bandagi  
Ek hi mili hai zindagi,  
Kis kis ki karu mein bandagi  
Khuda ko mana liya hai, aur sanam  
Rutha hua hai, rutha hua hai  
Rutha hua hai, rutha hua hai  
Chahe laakh bana tu aashiq,  
Gairo ko magar  
Chahe laakh bana tu aashiq,  
Gairo ko magar  
Tera honth mere honth se, mere honth se,  
Jutha hua hai, jutha hua hai  
Jutha hua hai, jutha hua hai  
Ek to sharab kam,  
Aur paimaana tuta hua hai  
Ek to sharab kam,  
Aur paimaana tuta hua hai  
Chehre pe zakhm hote kitne, uspe aaina,  
Tuta hua hai, tuta hua hai  
Tuta hua hai, tuta hua hai  
Ek to tera yeh husn,  
Uspe zamana kharab,  
Haii re tera yeh husn,  
Uspe zamana kharab,  
Nasha hi nahi tera saath bhi,  
Tera saath bhi,  
Choota hua hai, choota hua hai  
Choota hua hai, choota hua hai  
Dil uth gaya ab to teri mohabbat se,  
Dil uth gaya ab to teri mohabbat se,  
Fir bhi teri dua mein, yeh haath,  
Yeh haath hai,  
Uttha hua hai, uttha hua hai  
Uttha hua hai, uttha hua hai  
Ek to sharab kam,  
Aur paimaana tuta hua hai  
Ek to sharab kam,  
Aur paimaana tuta hua hai  
Chehre pe zakhm hote kitne, uspe aaina,  
Tuta hua hai, tuta hua hai  
Tuta hua hai, tuta hua hai.
